---------------------------------	-------------------

At Hunter Middle School, we use the **TI-34 Multiview** calculator starting in 6<sup>th</sup> grade. This calculator will be used in each of their math classes through the end of 8<sup>th</sup> grade math. An investment in a personal calculator will aid your child in class as well as with homework and TN Ready testing. These calculators can be difficult to find in stores in August due to high demand. We suggest you either order them online or through the school. Here at school we can purchase the **TI-34** at cost through a supplier for as little as **\$16.19**; however, the more we order the more that price will drop. The official price will be set based on the number ordered. We will send home an order form at the beginning of the school year. Money will be due BEFORE the order is made.

**Language Arts (Reading/Writing)**

2 composition books	1 pack of white copy paper
1 folders <b>with</b> brads and pockets	

**Science**

1 pocket folder  
1 spiral notebook ( 3 subject Mead preferably for Science )

**Social Studies**

1 spiral notebook (The spiral notebook that measures 11X9 works best because the paper is 8 ½ X 11)

The only other supplies that might be needed will be for related arts classes. As students enter these classes, they will be made aware of any needed supplies.

**Students may want to purchase the metal folding shelf that is made for lockers to help keep them organized.**
