##### **Graphing Calculator**

ALL STUDENTS MUST HAVE THEIR OWN CALCULATOR. These calculators can be difficult to find in stores in August due to high demand. We suggest you either order them online or through the school. Here at school we can purchase the **TI-34** at cost through a supplier for as little as **\$19**; however, the more we order the more that price will drop. The official price will be set based on the number ordered. We will send home an order form at the beginning of the school year. Money will be due BEFORE the order is made.

2 folders with pockets and fasteners (1 for Reading, 1 for Writing)

The only other supplies that might be needed will be for related arts classes. As students enter these classes, they will be made aware of any needed supplies.
